# SPECIAL NEEDS CAMPS

## CAMPS WORKING TOWARDS INCLUSION

Camps working towards inclusion are noted in **orange** and by an '*' beside their names. They have indicated that they **MAY** have the resources available to meet the needs of children, teens, and adults with special needs within an inclusive setting. The Ontario Camps Association Special Needs Resource Committee strongly suggests families contact Camp Directors of the camps they are considering to discuss and understand how an individual's needs can be met through the camp's available resources.

## CAMPS FOR CHILDREN, TEENS, & ADULTS WITH SPECIAL NEEDS

The following listed camps in **blue** cater to the individual needs of a specific population of children, teens, and/or adults. It is imperative to consult the camp listing and then contact camps for detailed information with regards to the specific populations that each camp serves (e.g. Camp Awakening - a tripping camp for teens with physical disabilities).
