

LOGO

The Ontario Camps Association accredited camp logo is a registered trademark. Any use of the OCA signs, seals, and logos is a privilege reserved for camps that are currently accredited. Such symbolism represents to the public that a camp has met the criteria for accreditation.

It is inappropriate for camps to advertise or imply that accreditation has been applied for or earned until notification has been received by the Ontario Camps Association indicating that all accreditation requirements have been met and verified by an on-site visit.

Any improper use of accreditation symbols or statements should be reported to the OCA office and is subject to prosecution to the full extent of the law.

DISCLAIMER

The purpose of these Standards is to educate camp directors, owners, operators and camp personnel regarding regulations, practices and procedures followed generally within OCA Accredited camps. These Standards also provide a basis for accreditation of camps by the Ontario Camps Association. It should be recognized that there may be aspects of each Standard that may not be applicable to all camps. Further, it is not the intention of the Ontario Camps Association to attempt to include in these Standards every practice or procedure that might be desirable for or implemented by a camp, since conditions, facilities and goals or objectives of camps are not identical or uniform.

In developing and applying these Standards in the accreditation process, the Ontario Camps Association does not undertake to verify the continuous adherence by Accredited Camps or their owners, operators, directors or personnel to every applicable Standard. The Ontario Camps Association also does not warrant or guarantee that compliance with these Standards will prevent any or all injury or loss that may be caused by activities, facilities, equipment, practices or procedures at Accredited Camps that are the subject of these Standards. The Ontario Camps Association specifically does not assume any responsibility or liability for any such injury or loss.

Further, the Ontario Camps Association hereby expressly disclaims any responsibility, liability or duty to affiliated camps, directors, owners, camp personal and to campers and their families, for any such liability arising out of injury or loss to any person by the failure of such camps, directors, owners and camp personnel to adhere to these standards.
