Camp Arowhon

Camping is all about people. The Ontario Camps Association's (OCA) members have always been and continue to be passionate about what we do. Camp people are good people who care about others. They devote their lives to making camping in Ontario safe and enjoyable for thousands of youth.

The OCA has a long history of members volunteering their time and expertise to further our industry in so many ways. It is truly remarkable how committed and caring each of you are for being here and for being involved in camping. What better way to come together than to have dinner and celebrate the remarkable accomplishments of our award recipients.

OCA Awards are such a nice way to give back to those who have given so much of themselves to camping. Congratulations to all of this year's recipients and thank you for your passion.

Sincerely,

Adam Kronick,
OCA President

On behalf of the Awards Committee I would like to express a sincere thank you to those who submitted nominations in the various awards categories this year. We all know the importance of taking the time to pause and reflect on the amazing work that our staff do in our camps and equally so in our Association. As the new chair of the Awards Committee it was inspiring to see the nominations and a pleasure to work with the Awards Committee volunteers, the OCA Office, Heather Heagle and the Board.

Thank you for taking the time to attend this wonderful and important event in support of your colleagues and your Association.

Congratulations to this year's awards recipients from all of us at the OCA... keep on growing!

Sincerely,

Jeff "Capt" Brown, Camp Otterdale
Awards Chair

Camp Kandalore

DOROTHY WALTER award of excellence

This award was created by the OCA Board to recognize the contribution of Dorothy Walter to the growth and development of the Association. It is the most prestigious recognition offered by the OCA. Dorothy died in December of 2006, however, her legacy of leadership lives on in the form of the good work done and fine examples set by the past and future recipients of this high recognition.

The award is presented, not necessarily annually, for providing outstanding service over a period of time. This outstanding service must include, but is not limited to:

- Board and/or Committee leadership;
- Workshop and/or Conference leadership; and,
- Publication of articles regarding the field of camping.

Award Recipient:

BEV UNGER

One could speculate that Dorothy might bestow this most prestigious award on this candidate based alone on the fact that she is a most capable mother of quadruplets. This busy Health Professional has made a significant impact on the OCA via her contribution to continually improve the health of our camp community.

For the past 16 years, Bev has been the Camp Health Coordinator at Camp Robin Hood. Previously, she held the position of Director and Senior Manager at Easter Seals Society Ontario. Following graduation from nursing school, she was on staff in the Oncology and Ear Nose and Throat (ENT) units at the Hospital for Sick Kids. Her passion for Special Needs dates back to 1982 when she worked her

way up from counsellor to Senior Staff and Special Needs coordinator at Camp Naorca.

Bev Unger has chaired the OCA Health Care Committee from 2013 to the present. She has been a member of the Health Care Committee since 1993 with a four year hiatus to raise her family. Bev also chaired the Health Care Conference in 2015 and 2016. She has presented sessions at several conferences including Day Camp, Health Care, Counsellor and OCA Conferences. Bev is a regular contributor to the OCA newsletters. She has also served on many OCA committees including the Special Needs Resource and the Crisis Response Reference Manual Committee. Currently, she is a Fellow and Board Member of the Society of Camp Directors. Most significantly, Bev was the recipient of Volunteer Recognition Awards in 1996 and 2014.

Aside from Bev's claim to fame as OCA's Anaphylaxis guru, she also possesses a unique ability to not only multitask but think "outside of the box". Her willingness to embrace new technology has moved many camps in the direction of online health forms and the utilization of Medication

Camp Can-Aqua

GTA Photography Classes

Administration Record Sheets (MARS). Thanks to Bev's leadership, she has steered this committee into a more streamlined efficient group. Other examples of her unique approaches are the drafting of the Health Form Template and the ongoing revision of the Health Care Manual and creation of a new video.

Having medically fragile kids at camp is not always possible, yet with Bev's determination and skill in this area she has made this dream come true for so many campers and staff. From September to June, Bev continues to work with medically fragile kids in the home and at school.

The development of Camp Health Care over the past years has grown exponentially due to Bev's leadership. In view of the time and effort Bev has given to the OCA, it is clear how much she continues to promote and develop the highest standards of health for camp communities.

The Ontario Camps Association is honoured to present the names of camp leaders, who over many years, have trail blazed, built bridges and set precedents, which have assisted others in the Ontario camping industry. Honourary Life Award (HLM) Nominees hold a place of special significance in the traditions and successes of our Association. New paths and bridges created and implemented by current camp professionals rest upon the solid foundations laid by these courageous pioneers. Honourary Life Members in our Association are a permanent part of our camp lives.

Recipients shall have met the following criteria:

- Ten (10) or more years of distinguished service in the field of camping.
- Held positions on the Board or have chaired committee(s), task force(s) or special project(s) for at least 10 years.
- Held an executive position of a camping organization or agency for at least 10 years.
- Retired from active service in camping or reached 55 years of age.

LEON MUSZYNSKI, Camp Arowhon

Leon has officially been the Co-Owner/Director with his wife Joanne Kates at Camp Arowhon since 2000. For 10 years prior, Leon was involved at camp supporting multiple roles including being the Site Supervisor, overseeing the Medical Centre, Food Services and camp financials.

Leon has become a strong role model for boys and young men at camp and beyond. He is fondly thought of as the "Camp Dad". He is passionate about and exemplifies the notion that developing as a well-rounded male involves being connected with the full range of human emotions. He challenges his learners to push well past the societal norm that "I have to be tough".

Leon has dedicated many years to the OCA. His volunteer commitment has included 8 years on the OCA Board, 2008 to 2010 Board Member (private camps), Vice President from 2011 to 2012 and Interim Vice President in 2013. Currently, Leon's term as Secretary/Treasurer began in 2014 and will be completed in 2018.

Leon has been a valuable committee member for Government Relations. He worked at a provincial level regarding camps' exemption for minimum wage, and at the federal level he has been involved in the Temporary Foreign Worker Program and Transport Canada. Currently, he is working with the Standards Review Committee building the new Year-round Standards.

Leon thrives on supporting children and their individual successes through his many efforts with Joanne and their Leadership Team. If you can't reach Leon at camp, he may be sailing somewhere around the globe exercising his love of sailing. A passion he developed at camp!

BILL STEVENS, Big Canoe: United Church

2016 marked Bill Stevens' 39th year of camp involvement. A majority of his work has been at United Church Camps in the London and Toronto areas and he has also been a member of the United Church's National Camping Task Force. Since 2009, Bill has been the Director of Camp Big Canoe. While most of his years in camping have been spent within United Church Camps, Bill also worked for the Easter Seals Society of Ontario as Provincial Manager of Camping, Respite and Recreation.

Since 1996, Bill has served on various OCA Committees including the Annual Conference and Membership Committees. He is currently a member of the Standards Review Committee. As well, his work with the OCA has included being a part of the Abuse Protocol Task Force and he was also the Executive Director of the Task Force. In addition, Bill is a past member of the OCA Board (2000 to 2007).

Camp Kandalore

Camp Arowhon

RON & MICKEY JOHNSTONE

youth leadership award

Working as a team, Ron and Mickey Johnstone made significant contributions to both the Ontario Camps Association and the Canadian Camping Association/ Association des Camps du Canada, permanently enriching and enhancing both Associations. Their continued commitment to the development of camping across Canada, and their skills in the area of youth leadership development, have left us a lasting legacy.

This award is presented to camp leaders who meet the following criteria:

- Are between the ages of 17 and 30.
- Demonstrate outstanding leadership of youth through innovation and creativity.
- Apply their innovative skills in an OCA Accredited Camp.

Award Recipient:

SAM GRAHAM, Easter Seals: Camp Merrywood

Sam's positive attitude and determination to make every camp day better than the last was contagious. He facilitated friendly interactions between campers in all aspects of camp life. He worked hard to ensure that no camper felt excluded by successfully engaging and motivating the campers to have confidence in their abilities and to try new things. With Sam's encouragement, campers very often succeeded in doing activities that they didn't think they were able to do.

Sam has been an amazing mentor to the campers. They look to him for advice and guidance. It is not uncommon for the campers to ask to be in Sam's cabin or to seek him out for advice. This summer Sam was one of the Sports & Games Program Specialists. His experience coaching and

playing wheelchair basketball at the competitive level, made his programs very popular. Although basketball is his sport of choice, he made it a point to introduce the campers to other sports, such as bocce, indoor curling and lacrosse.

Sam truly epitomizes what the Ron & Mickey Johnstone Youth Leadership Award stands for. He is a role model, a leader, a motivator and probably the campers' favourite counsellor.

Sam's education, skills and award recognition include the following highlights:

- Bilingual in English and French
- Honour Student, Algonquin College, General Arts and Science
- 2013 Award of Excellence, Algonquin College
- Currently attending Carleton University, Ottawa, Bachelor of Social Work Program

Volunteer Experience:

- Ottawa Carleton Wheelchair Sports Association Player representative 2013-14 season
- Fundraiser at Algonquin College for three wheelchair basketball events 2013, 2014 and 2015
- Public Speaker for wheelchair basketball fun days at Highview Public School, Pembroke Ontario and Kilaloe Public School, Kilaloe Ontario 2014
- Live Work Play – Community Connect 2015

Awards:

- OCWSA Male Athlete of the Year 2011-12 season, wheelchair basketball
- Wheelchair Basketball Canada's True Spot Award Winner 2013
- OCWSA Community Spirit Award winner, 2013 wheelchair basketball
- Member of Wheelchair Basketball Canada Junior Development program 2010-13

This award was established to recognize the contributions of volunteers and volunteer members. The award is presented to individuals whose service and commitment to the organization have merited special mention and to acknowledge a significant and special contribution to the work of the Ontario Camps Association in the year of presentation.

Award Recipients:

EUGENE CHONG, Harbourfront Centre Camps

Since Eugene joined the Harbourfront Centre in 2009, he has been an incredible member of the Education Team. He brings a wealth of knowledge, experience and his own unique brand of humour to his role of Manager, Recreational Learning. He has taken on increasing roles within the OCA, most recently in 2014 serving as the Chair of the Membership Committee. Eugene never hesitates to support, guide and mentor both his own staff and his colleagues in the camp community. Eugene invests himself completely in the camp experience. Eugene never misses an Annual General Meeting, Town Hall, or workshops that take place throughout the year. He is an ideal candidate to receive the Volunteer Recognition Award for his relentless support of all things OCA!

ROB CREW, Sparrow Lake Camp: United Church

Rob has worked tirelessly for the past few years on revising the OCA Standards converting them from Summer Camp Standards to Standards that can be used year-round. Meetings with external stakeholders began in 2014-15, followed by meetings with OCA Members, who were experts in specific fields, followed by meetings with OCA Camp Members who had expertise in areas such as Transportation, Food Handling, Management, Human Resources and more. Since then, there have been revisions, re-writes and more revisions, as comments and suggestions came from all avenues of the camp industry, plus other interested stakeholders. Hundreds of hours have been expended to produce the many drafts that OCA Members have reviewed. Throughout the whole process, Rob has welcomed everyone to take part in this important initiative. Thank you so much Rob for your leadership and steadfast work!

KAREN HARTNETT, C.Y.O. Camp Marydale

Karen started her volunteering with the Ontario Camps Association (OCA) as an Annual Conference volunteer and soon became the Conference Program Co-Chair in 2014 and 2015 with Kristy Drost. In the fall of 2015, Karen became the 2016 Annual Conference Program Chair. As a very astute and perceptive leader, Karen asked questions and provided her comments regarding the conference. Karen's attention to the needs of Speakers, Preferred Vendors, Volunteers, Delegates and the ever growing raffle was evident at all times. She is a great person to work with and was instrumental in making the 2016 Annual Conference a great success. Thank you Karen for all of your support!

MARA KATES, *Camp Arowhon*

Mara has been instrumental in providing a source of speakers for the past three years for the OCA's Annual Conference. She has also worked with new delegates to make them feel comfortable at the conference and providing them with tools to make their experience as a first time delegate enjoyable and valuable. Her programming skills and attention to detail have made the process easy for everyone involved.

KELLY MATHEWS, *Seneca: King Day Camp and Seneca: Sports, Arts & Science Camps*

Kelly continues to be a great asset to the OCA's Annual Conference. Her cheerful, welcoming demeanor invites members to join her during the social events she creates for the conference. Kelly is very generous each year in providing all of the speakers' gifts and donates her time and expertise in all of the other areas of the conference. Kelly also works hard in making the charity raffle a success each year. This coming year Kelly will become, for the second time, the Chair of the Annual Conference Program Committee.

BRUCE PHILLIPS,

Dialcom Communications Limited

Bruce has worked on the Conference Committee since he joined the OCA as a Preferred Vendor. He provides great insight on marketing and supporting the Exhibit Hall participants and all delegates. Bruce is always there with advice, support, donations and contacts to help the raffle and to assist all of the Preferred Vendors at the conference. He never misses a meeting or an opportunity to speak about OCA's Members and how he enjoys working in this industry. Bruce has helped to grow the Exhibit Hall, the Preferred Vendor Membership and delegates' understanding of the importance of our vendors.

ARCHIVES award

This recognition is to be given to a group or an individual who, in the opinion of the OCA Archive Committee, has made an outstanding contribution to the Archives of the Ontario Camps Association located in Trent University.

Candidates receiving this award may be selected from outside organizations, camps, individuals, groups, committees, etc., and will be recognized in the year following their contribution. This Award would not be presented on an annual basis, it would be offered as a special award when appropriate.

Archives Award Criteria are as follows:

- A very significant gift of archival value
- A financial contribution which allows the Archives to be notably enhanced of wider accessibility to the public
- A book of some form of written work which uses OCA archival material and is made available electronically or in print to the public
- A film or visual production using archival material which enhances public awareness of the value of camping
- Pictures, archival collections, professional articles, research, event outlines, etc.

This award is being initiated in 2017 as awareness of 2017 being Canada's 150th Anniversary and it was the vision of Brian Blackstock.

Award Recipient:

BERNADINE DODGE, M.A.

University Archivist Emeritus, Trent University

Bernadine’s support of the OCA archives stretches back to her work as the Trent University Archivist, and secretary of the OCA Archives Committee, from 1982 to her retirement in 2009.

During that time, she worked with various Chairs of the OCA Archives Committee, including Helen Stewart, to ensure that the records of the OCA were preserved, catalogued and available to researchers. Over the years, the archives at Trent have swelled to over 43 meters, or 140 feet of paper and records of organized youth camping.

In addition to the paper records, the archive includes oral interview tapes of individuals associated with camps and camping. This unique resource has been used by undergraduate and graduate students in geography, psychology and environmental students from around the world.

We recognize Bernadine for her immense contribution to the OCA and the archive, and the contribution she has made to the greater understanding of youth camping in Ontario .

Kettlewell Paddles

This award recognizes Preferred Vendors who make significant contributions to the OCA beyond their company's partnership with the Association.

Recognition Recipients:

NANCY BROWN, FCA Insurance Brokers

Nancy continues to support the OCA by sponsoring important educational programs, volunteering to speak at conferences and workshops, being readily available when issues arise throughout the year, especially during the summer months and by participating in Task Forces. Nancy's knowledge of the camps and insurance industries is phenomenal. New Provisional Applicants look to her for advice and support. Nancy, your valuable partnership with the OCA is greatly appreciated.

Taylor Statten Camps

MAYER HYMAN, HiTech Merchant Services

It is hard to believe that Mayer has been with the OCA for two short years. He has become part of the OCA family. Mayer makes himself available for all of OCA's educational programs and has been the go to company to help with Point-of-Sale issues as they arise throughout the year. Mayer has saved camps thousands of dollars and readily explains and supports owners and operators who are facing issues, often driving to their camp to meet with them in person. Mayer attends the Preferred Vendors Meetings and provides solid ideas on marketing and on how to organize the conference's annual raffle and exhibit hall. Thank you Mayer for all of your support!

CRAIG MCPHAIL, Just Direct Promotions

Craig works hard to bring the newest and most useful items to OCA Members' attention throughout the year. Craig has also been instrumental in providing sponsored items, for the past four years, to assist the Annual Conference and for spring workshops. He is part of the Preferred Vendors Committee and works with the committee to bring value to all of our Preferred Vendors. It is a pleasure to work with Craig.

1994: Chrismar Mapping Services
Scadco Designs Inc.
Serca Foodservices Inc.
Tandy Leather Co.

OCA MILESTONE award

YMCA Hamilton Burlington Brantford: Wanakita

The Ontario Camps Association has always prided itself on recognizing individuals who have blazed trails, led new initiatives and volunteered their time and expertise. Many of our OCA volunteers and pioneers have been recognized due to their hard work and commitment to the organization.

The Awards Committee is excited to recognize individuals, Preferred Vendors and Accredited Camps that have reached a "Milestone Year" in the industry. OCA Accredited Camps and Preferred Vendors can submit requests directly to the OCA office for this recognition.

Award Recipients:

JOYCE MCDONALD,

YMCA Hamilton Burlington Brantford: Wanakita

30th Anniversary

Joyce McDonald started as summer program staff at YMCA Wanakita running Arts and Crafts, then moved into the office as the registrar and has remained an administrative "pillar of strength" through the last three decades. Through the significant facility and program growth of Wanakita, and the changing times, Joyce played a major role in transitioning the related technological and administrative systems that occurred. Joyce has also been involved with many OCA committees over the years including Skills Weekends (Chairing for two years), OCA conferences and Kumbaya.

Through all her years, one of her most unsung roles at camp was the way she helped coordinate staff functions always going above and beyond, creating unique and wonderful events (with great take-away crafty items) to uplift staff spirits.

ERIC BURK,

YMCA Hamilton Burlington Brantford: Wanakita

30th Anniversary

Eric began his camp career as an assistant cook and then moved to the maintenance department the following year. After a few years, Eric became the Maintenance Director and has been going strong ever since. Wanakita has had dramatic facility growth for the past 25 years and Eric has been instrumental in both the planning and implementing the 2002–2003 expansion project. Skillfully, Eric dismantled 41 buildings which were moved from Camp Gay Venture for use at Wanakita. He also helped design, develop and maintain 25 kilometers of cross-country skiing, biking and hiking trails; created a new waterfront; rebuilt cabins, bunks, watercraft, roadways, docks; and generally, took care of all areas within the camp's 1,000 acres and the 140 buildings. Eric literally helped to build the YMCA Wanakita we see today!

ANN FRANCIS,

YMCA Hamilton Burlington Brantford: Wanakita

35th Anniversary

In the early years, Ann worked in the summer kitchen and has been cooking up a storm 'year-round' ever since! Yearly, Ann was part of the team that moved the summer kitchen to a much smaller winter kitchen and then back again in the spring until 1991 when the new dining hall was built. Since then, Ann has cooked for an average of 200-500 campers and staff, three meals a day, year-round!

The quality and variety of food served is crucial to the success of any camp. Ann has always ensured this quality through her commitment and dedication to high-end service, with the ability to continually learn and adapt along the way. A fond memory of Ann's commitment was when she was stranded at her home during an ice storm. Ann gave instructions over the phone at 6:00 am to program staff on how to get everything ready to make French Toast for 100 hungry high school students. Breakfast was served hot, ready and on time!

LORRIE “BANDAID” SCOTT, Camp Otterdale

15th Anniversary

Bandaid has been an integral part of the Camp Otterdale medical team since 2001. From her earliest days at camp, Lorrie was a natural Medical Team Leader and had a major influence on “all things” medical. Her many roles over the last 15+ years have included yearly set-up of the Infirmary, recruiting of new medical staff, promoting camp community health at each activity, in the dining hall and the kitchen, establishing new protocols such as opening day medical screening, tick checks, and sun care, attending OCA’s Health Conferences, managing emergency situations, transitioning the infirmary to a new facility, training of camp staff each year, providing excellent advice and direction to the Camp Director and Senior Camp Staff, and consistently giving professional medical care to the camp community with a smile and caring bedside manner. The staff, campers and families of Camp Otterdale cannot thank you enough Bandaid!

Camp Anniversaries:

SALVATION ARMY CAMP: JACKSONS POINT

100th Anniversary

The Salvation Army has operated camps and provided dynamic programs in Ontario since 1916. At Jacksons Point, The Salvation Army operates two camp facilities that, combined, give close to 250 campers every week a time to have fun with kids their age.

CAMP WANAPITEI

85th Anniversary

Celebrating 85 years of Camp Wanapitei is a great reminder of those who came before us in Ontario summer camps. As we view pictures dating from the 1930’s to the present day we are filled with gratitude for the past directors, staff members and campers who have helped to make Camp Wanapitei the thriving wilderness canoe tripping camp that it is today. Here’s to the next 85 years of paddling Canada’s lakes, rivers and oceans!

EASTER SEALS ONTARIO

80th Anniversary

Easter Seals Ontario has been providing summer camp experiences for children and youth with physical disabilities for 80 years. The first camp opened was Easter Seals Camp Blue Mountain in 1937. Camp Woodeden followed in 1946 and then Easter Seals Camp Merrywood in 1948 and both Easter Seals Camp Lakewood (Wainfleet) and Camp Northwood (Kirkland Lake) were opened in 1954.

C.Y.O. CAMP BRÉBEUF

75th Anniversary

Camp Brébeuf has been creating summer camps for 75 years. Officially opened by the most Rev. J.F. Ryan on July 21, 1940, Brébeuf was operated by Rev. James Ford, directed by Rev. Joseph Power and staffed by the Hamilton Dioceses seminarians.

Originally, camp offered both boys and girls sessions. Girls' camp was run under Ms. Comerferd, a Hamilton area teacher. However, in 1943, it was made into an all boys camp. At that time, many of the camp activities were sports oriented with a boxing ring and a wrestling match area available to work out camper disagreements. Fresh bread and pastries were made in the camp kitchen and milk was delivered by horse and cart from town. Ice blocks were kept in the icehouse to maintain perishables. There was one camp vehicle, which was used infrequently due to gasoline rations. Needless to say, Brébeuf has changed considerably since the 1940s.

C.Y.O. Camp Brébeuf

ROM SUMMER CLUB **75th Anniversary**

One of the city's most creative and diverse summer camps for 75 years, we offer an exciting array of fun, activity-based programs inspired by the collections and research of a world-class museum. Our huge variety of offerings ensures that you'll find a program to match your interest and abilities. The ROM's fascinating galleries, authentic artifacts and outstanding professional staff guarantee that your camp experience will be hard to beat.

CIRCLE R RANCH

50th Anniversary

Fifty years ago John and Milly Russell's vision to create a top quality children's camp and year round outdoor education centre in the London area resulted in the beginning of Circle R Ranch. Circle R continues that tradition today as a family owned business and is proud to have second and third generation family members directing its operations. As Circle R heads into its next 50 years, it will continue to offer thousands of young people the opportunity to enjoy its beautiful natural setting, with special emphasis on horses and animals and the lessons and values they offer to us all.

The Circle R experience remains as meaningful today as it was when John and Milly created it; a tremendously personal experience where every camp staff knows every camper by name, and where life long memories and lasting friendships are created.

Circle R Ranch

Camp Green Acres

CAMP GREEN ACRES **50th Anniversary**

Eddy Bogomolny grew up in Niagara and couldn't afford to go to a day camp; however, he heard from all his friends about how amazing camp was and how much fun they had. When he was 14, Eddy started working at various camps. A great opportunity arose for him in Montreal where he had an opportunity to purchase property with a partner which became the first day camp in Montreal. After twenty years of operating the camp the federal government expropriated the property and asked them to vacate. Eddy, still loving camp decided he was going to start up another camp but this time in Toronto. Green Acres was a dairy farm when the land was purchased with only two houses and two barns. Building the camp to where it is today "was a labour of love". Eddy stated, "It is still exciting to see the children every day and see how they develop and grow as people. Eddy looks at Green Acres as "one big happy family".

HOCKEY OPPORTUNITY CAMP

50th Anniversary

Celebrating 50 years is an incredible achievement in longevity, perseverance and success.

In 2016, Hockey Opportunity Camp (HOC) turned 50 years young! What does 50 years of history look like? Since 1966, the camp has hosted approximately 4,400 staff and 80,000 campers. Impressive numbers! The endurance of our camp through the years is a testament to these many campers and staff that have embraced HOC as part of their summer and their lives.

CAMP KENNEBEC

50th Anniversary

We're excited to turn fifty. It's been an incredible privilege and awesome responsibility to think that our camp has had a positive impact on more than 10,000 families over the years. We've evolved during our half-century from a camp for mainstream kids from Montreal to our current focus on kids, teens and young adults across North America with developmental delays like Autism, ADHD and other challenges. But what hasn't changed is how much we love running a summer camp and giving Kennebecers the summer of their lives. Here's to the next 50 years!

CAMP MISQUAH

50th Anniversary

Camp Misquah is a non-profit charitable organization providing an overnight summer camping experience to approximately 230 children and adults with developmental disabilities on a yearly basis. We have served the Ottawa-Carleton region for 50 summers of safe and enjoyable camping seasons.

The program at Camp Misquah allows individuals with developmental disabilities to experience a variety of recreational activities and develop an awareness and appreciation of the outdoors. Program activities include canoeing, pedal-boating, swimming, hiking, arts and crafts, dances, talent shows and campfires.

As well as providing a safe and fun holiday for people with developmental disabilities, our program serves the Ottawa community by providing employment for approximately 40 young people each summer. Ultimately, many of our staff members have applied the skills acquired at camp to become successful professionals in the fields of education, health care, and social services.

We are proud to be an accredited program under the umbrella of the OCA and thank you for recognizing our 50 year anniversary.

CAMP AWAKENING **35th Anniversary**

Founded in 1982 and an accredited member of the OCA since 1984, Camp Awakening offers summer camp and leadership programs that give youth with physical disabilities the opportunity to gain independence, make lasting friendships, develop confidence and accomplish things that they never thought possible.

GALBRAITH OPTIMIST CAMPS FOR KIDS

25th Anniversary

Galbraith began in 1991 and for the past 25 years we have gone through a large growth spurt that has seen our camp population expand and with many new buildings. Approximately 15,000 campers have attended our camp and we look forward to the next quarter century in providing an expansive program that assists children in becoming future leaders.

CAMP KODIAK **25th Anniversary**

Camp Kodiak was the dream of Dave Stoch, who recognized the incredible growth that kids with learning differences could make in an outdoor camp environment. He wanted to provide these kids and teens with opportunities to develop confidence, self-esteem and to experience success. Over the course of 25 years, we have seen the camp grow and change. Moving from a rented site to our very own permanent home, our camper population tripled from our first summer. After the recent passing of our beloved and fearless Director/Founder Dave Stoch we are committed to continue his legacy by ensuring that Camp Kodiak will provide unique and enriching experiences for campers and staff for many years to come.

SHENDY'S SWIM SCHOOL INC.

25th Anniversary

Shendy's Swim School Inc. has been a Preferred Vendor with the Ontario Camps Association since they opened in 1992. Shendy's provides many OCA camps with Lifesaving Learn-To-Swim, Bronze, National Lifeguard, First Aid /CPR and Instructor training each year. Shendy's also acts as a consultant to many Day and overnight camps to help ensure program effectiveness, efficiency and safety. Eric Shendelman, owner of Shendy's, is one of 32 representatives in Canada who is helping to create a National Drowning Prevention Plan that will be introduced at a world conference in October 2017. Shendy's Swim School Inc. is the Canadian Distributor of the teaching aid SwimFin. "We must stop the drowning in our world and teaching people to swim is our main mission".

SUNRISE THERAPEUTIC RIDING & LEARNING CENTRE

25th Anniversary

Since 1990, Camp Sunrise has been providing unique opportunities for children with and without special needs to learn and play together in a supportive, inclusive and accessible environment. Our day camp provides wonderful learning opportunities for children, teens and staff alike, as all participants learn to celebrate each other's abilities and work together as a team – which imparts many important values to all our young citizens of tomorrow. Camp Sunrise activities include horseback riding lessons, horse care lessons, archery, swimming, low ropes, nature programs, arts and crafts, drama, outdoor games and more!

CAMP WINSTON

25th Anniversary

We are thrilled to be celebrating our 25th season in working with young people who have complex neurological disorders. These exceptional children have warmed our hearts and have opened us to the realization that achieving success in the acquisition of life and social skills is indeed possible. Our campers make life-long friends, connect with nature and experience the comfort and joy of living in a nurturing, inclusive community. We look forward to continuing this life-changing work for many more years.

GRANITE: GENERAL & SPECIALTY CAMPS

10th Anniversary

The Granite Club offers state-of-the-art child care and camp facilities and a team of professional Staff, instructors and caregivers who facilitate fun and creativity while fostering a love of learning through play. The Club's athletic facilities for all ages include racquet sports, skating, curling, a winter golf dome and remarkable fitness and aquatic centres. A wide range of social programming ensures something for everyone. Granite Club traditions are founded in a long history that strikes a unique balance between families, social, recreation and athletics.
