OCA Newsletter January 2018

Message from Your OCA President

Dear OCA Members:

Happy New Year!!

I want to take this opportunity to wish you all a successful year ahead. Let's make 2018 the best year yet. I am looking forward to seeing many of you at the upcoming Annual General Meeting

(AGM), Awards Banquet and Annual Conference. We have tons of fun planned including some amazing evening events, keynote speakers, special guests, informative workshops and sessions, the largest OCA Exhibit Hall and Affiliate Display to date and most importantly an opportunity to network and chat with camp colleagues.

We have also organized a trifecta of events on Wednesday, January 24th (AGM, Awards Banquet and a conference evening program) all at the lovely Hilton Hotel - Markham Suites in Markham, bringing everyone together under one roof.

Our OCA volunteers (many of you) and the office staff have worked very hard to organize and implement the 2018 Annual Conference, our Association's signature event. If you have not yet registered or have any questions regarding this year's AGM, Awards Banquet or Annual Conference please contact the OCA office at 416-485-0425 or click on one of the links below to register for the Annual Conference or Awards Banquet.

[i. Annual Conference - January 24, 25 and 26, 2018](#)

[ii. Awards Reception and Banquet - January 24, 2018](#)

Finally, I want to say where else can you come to an event where everyone is in the business of making fun and memories happen at camp?

Come learn, laugh, celebrate and play with us at this year's conference.

I look forward to seeing you soon!!

Eric Shendelman

OCA President

Eric Shendelman

YOUR MONEY & TIME ARE VALUABLE

Your money and time are valuable, which is why choosing the right processor to handle all of your payment needs is crucial. For the past four years, HiTech Merchants has been trusted by the OCA to be their Preferred Vendor. We have been providing business owners with relevant and useful information about new technologies in the merchant services field for over two decades.
