

Provisional One Application

Multiple Camps List

Multiple Camps Category Definition: more than one camp operated by one parent organization.

The Organization operating **Multiple Camps with four or fewer sites** will pay the Provisional One fee of \$335 + HST (\$43.55), plus, an additional fee of \$389 + HST (\$50.57) per camp for all other camps (satellites) in the multiple camps operation.

Fee calculation **Multi-Site 4 & Under example**: Camp ABC has four camp locations. The camp with the highest gross annual revenue is called the **main camp** and the other three camps are the **satellites**. The fee is \$335 + HST (\$43.55) for the main camp and \$389 + HST (\$50.57) x 3 for the satellites for a total of \$1,697.26.

The Organization operating **Multiple Camps with five or more sites** will pay the Provisional One fee of \$335 + HST (\$43.55), plus, an additional fee of \$168 + HST (\$21.84) per camp for all other camps (satellites) in the multiple camps operation.

Fee calculation **Multi-Site 5 & Over example**: Camp ABC has five camp locations. The camp with the highest gross annual revenue is called the **main camp** and the other four camps are the **satellites**. The fee is \$335 + HST (\$43.55) for the main camp and \$168 + HST (\$21.84) x 4 for the satellites for a total of \$1,137.91.
